A disgraceful and disgusting war is on between Dr. Boyd, late pastor of the Peddie Memorial (Baptist) church, Newark, N. J., and Prof. Bowman the organist of the church choir. The root of the difficulty seems to lie in Dr. Boyd's inability to secure Bowman the position as organist in the church at St. Louis of which he has lately been chosen pastor. Bowman has been receiving \$2,500 a year, and he wants it raised to \$3,500. This tempest in a "tea pot" is occupying much valuable space in the daily journals to the exclusion of more valuable matter.

Mansur out of office, but it is said he will be given the office of Assistant Comptroller an office of equal emoluments and almost equal dignity with that which he now holds.

Postmaster General Bissell has formulated a policy of barring saloon keepers and bar tenders from appointment as postmasters. He says in defense of his action: "From my observation and experience I am convinced that any man directly or indirectly interested in the liquor business is in a measure unfitted by his occupation and that his interest in that business necessarily interferes with a full and capable discharge of his official duties in any branch of the postal service."

The promptness and certainty of its cures have made Chamberlain's cough remedy famous. It is intended especially for coughs, colds, croup and whooping coughs, and is the most effective remedy known for these diseases. Mr. C. B. I warrant every bottle and have never heard of one failing to give entire satisfaction." 50 cent bottles for sale by all druggist.

The administration Democrats in Illinois headed by Senator Palmer, Comptroller Eckles and First Assistant Postmaster-General Jones, are fighting for an unqualified endorsement of the president's financial policy. This is opposed by the rural Democracy led by Congressman Fithian, Lane, Williams and McDonald. It promises to be a hot fight and if the convention of June 27th yields to administration dictation the party in Illinois will be buried under an avalanche of votes.

The First National Bank, of Sedalia, has closed its doors and notified the comptroller. The officers claim the failure was the result of a bogus telegram published a year ago in St. Louis stating that the bank had failed.

He further declared that the future historian would rise from the perusal of his history, firm in the belief that he (Breckenridge) was loyal to his principles, faithful to truth, devoted to his constituents.
